**1. MANDATE PREAMBLE & AUTHORITY**

NVC Fund Holding Trust ("**NVC Fund**" or "**the Mandator**"), a sovereign estate trust with a AAA credit rating based on Standard & Poor's (S&P) metrics and holding a \$30 trillion pre-minted NVCT stablecoin treasury on the Base Mainnet blockchain, hereby issues this Mandate Letter to **H.E. the Minister of Finance** and **H.E. the Vice-President of the Republic of Botswana** (collectively, "**the Mandatees**") authorising, engaging, and directing them to formally facilitate, support, and expedite the Leveraged Buyout ("**LBO**") of **Standard Chartered Bank Botswana Limited ("SCBB"** or "**the Target**") by NVC Fund Holding Trust at a total acquisition consideration of **USD 4,000,000,000** (Four Billion United States Dollars).

## 2. TRANSACTION OVERVIEW & ACQUISITION PARAMETERS

<b>TARGET ENTITY</b> <b>Standard Chartered Bank Botswana Ltd</b> <small>Listed: BSE (SCBB)</small>	<b>ACQUISITION CONSIDERATION</b> <b>USD 4.0 Billion</b> <small>Four Billion USD</small>	<b>TRANSACTION STRUCTURE</b> <b>Leveraged Buyout (LBO)</b> <small>80% Controlling Acquisition</small>	<b>EQUITY SPLIT</b> <b>80% NVC</b> <b>20% StanChart</b> <small>Retained Minority Stake</small>	<b>SETTLEMENT INSTRUMENT</b> <b>NVCT Stablecoin</b> <small>Best Available Instrument</small>	<b>SELLER / PARTNER</b> <b>Standard Chartered Group PLC</b> <small>London, United Kingdom</small>
--	---	---	---	--	---

Standard Chartered Bank Botswana Limited is the Botswana-domiciled subsidiary of Standard Chartered Bank PLC (London), engaged in commercial, corporate, and retail banking across the Republic of Botswana. NVC Fund Holding Trust proposes to acquire an **80% controlling equity stake** in SCBB at a consideration of **USD 4,000,000,000**, with **Standard Chartered Group PLC retaining a 20% minority equity interest**. This structure is deliberately designed to preserve Standard Chartered Group's institutional connectivity, global correspondent banking network, and back-office infrastructure, which will continue to serve SCBB and NVC Fund Bank post-acquisition.

**Strategic Rationale — 80/20 Structure:** By retaining a 20% stake, Standard Chartered Group PLC remains a committed institutional partner in SCBB, providing continuity of its global correspondent banking relationships, SWIFT network access, and international back-office and custody infrastructure. NVC Fund as 80% controlling shareholder drives governance, capital, and growth strategy — while Standard Chartered's retained equity ensures seamless operational continuity and global institutional connectivity for Botswana's banking sector.

## 3. SETTLEMENT INSTRUMENT — NVC TOKEN (NVCT): BEST AVAILABLE INSTRUMENT

NVC Fund Holding Trust will settle the full USD 4,000,000,000 acquisition consideration using **NVC Token (NVCT)**, the institution's primary and best available sovereign-grade digital settlement instrument. NVCT is a fully pre-minted, asset-backed stablecoin issued on the Base Mainnet blockchain and recognised as the settlement currency of NVC Fund's global correspondent banking network.
