

# NVCT INSTITUTIONAL WHITEPAPER

## Legal Victory & Federal Court Asset Validation

### EXECUTIVE SUMMARY

**Complete Constitutional Victory Over SEC Persecution achieved by Frank Ojogwa Ekejija Estate Trust Authority. Federal Court validation of \$56.7 trillion assets with 189% over-collateralization backing NVCT stablecoin operations.**  
*Version 2.0 | August 2025*

COURT-VALIDATED ASSETS	\$56.7 TRILLION	Over-collateralization: 189%
Federal Court Supervision	Active	Judge Douglas F. McCormick
Independent CPA Validation	Complete	\$267.786T → \$56.7T (90% discount)

**COMPLETE CONSTITUTIONAL VICTORY ACHIEVED:** Frank Ojogwa Ekejija Estate Trust defeated SEC persecution campaigns (2018-2022), establishing constitutional authority for NVC Fund operations with \$56.7 trillion court-validated assets under federal court supervision.

### 1. SEC PERSECUTION DEFEATED - Case No. 2:20-cv-08985

Legal Victory Element	Court Decision	Impact
Civil Penalty Request	DENIED as "not adequately supported"	\$963,837 penalty rejected
Damage Claims	SEC admitted "no damages"	No injured parties identified
Investigation Results	Complete failure after 2+ years	No actual harm demonstrated

Federal court explicitly rejected SEC's \$963,837 penalty request as "not adequately supported." SEC admitted no evidence of actual damages to investors after 2+ years investigation. No injured parties identified, no actual harm demonstrated from NVC Fund operations.

## 2. FEDERAL COURT VALIDATION - Judge Douglas F. McCormick Supervision

Validation Element	Amount/Status	Verification Method
Independent Auditor Verification	\$48.8 Trillion	Sworn testimony under oath
Financial Documentation	Complete custody	Federal court possession
Settlement Trust	\$4.888 Trillion	Direct federal supervision

Independent certified public accountants provided sworn testimony validating estate trust assets under federal court supervision. Federal court maintains complete custody of all financial documentation. Formal \$4.888T settlement trust established under direct federal supervision.

## 3. CONSTITUTIONAL AUTHORITY & NVCT INFRASTRUCTURE

**Constitutional Authority:** Federal courts recognized constitutional limitations on regulatory agency authority for sovereign estate trust operations, establishing precedent for sovereign financial operations under constitutional protection.

Component	Specification	Details
Primary Network	BSC Mainnet (Chain ID: 56)	Multi-chain deployment
Token Supply	30T NVCT @ \$1:1 USD parity	Global payments/remittances
Asset Backing	\$56.7T (189% over-collateralization)	Court-validated assets
Security Features	Multi-sig governance, timelocks	Institutional-grade protection
Bridge Systems	BTC, ETH, USDT, XRP, XLM	Multi-chain interoperability

## CONCLUSION

NVCT represents the culmination of a four-year legal victory over discriminatory regulatory persecution, establishing constitutional precedent for sovereign financial operations. With \$56.7 trillion in court-validated assets providing 189% over-collateralization, NVCT offers institutional-grade stability backed by federal court supervision and independent auditor verification. Frank Ojogwa Ekejija Estate Trust's complete victory over SEC harassment demonstrates constitutional protection for properly structured sovereign financial operations, providing the legal foundation for NVCT's emergence as a securely backed institutional stablecoin.
